

Finding your way in the new RCH

There are four main venues for Alumni functions at RCH. The best routes to access each of these are illustrated below.

Alumni Functions

1. Parkville Café (Ground floor)
Access: Car park entry 2 & Yellow lifts to ground floor
2. Vernon Collins Lecture Theatre (First floor)
Access: Car park entry 2 & Yellow lifts to first floor
3. Ella Latham Lecture Theatre (Via first floor)
Access: Car park entry 2 & Yellow lifts to first floor
4. Children's Hosp. Foundation (2nd floor FEB)
(48 Flemington Rd)
**Access: Car park entry 4 & Blue lifts to ground floor
Then turn right and walk to entry to Front Entry Building (FEB) and enter lobby of Larwill Studio (Medi-hotel). Take lift to Foundation (2nd floor)**

Note: There are two lifts from "Larwill Studio Lobby".

The Silver lift goes only to the Hotel. Take the "Grey Green" lift, to the left of the stairs, at the Flemington Rd entrance (Signed to RCH Foundation).

If in doubt ask the attendants in the lobby.

Car Parking:

Entry to the underground car park may be via entry 1, 2 or 4 (see arrows). There are three levels for parking – LG (lower ground), B1 (Basement 1) and B2 (Basement 2).

The area of the car park adjacent to the yellow lifts is often crowded, with few spaces. The area near the blue lifts usually has plenty of free spaces. This may be accessed via entry 4 or via a secondary entrance adjacent to the A & E entrance next to Entry 2. Alternatively there is a link from the main car park area on basement level 1 (B1). This provides access to the south end of the car park (near the blue lifts and Medi-hotel) after entering from entry 1 or entry 2.

All the above venues can be reached from this area by taking the blue lifts to the ground floor and then walking along "Main Street" (the link corridor on the ground floor that runs through the hospital) to reach the yellow lifts, Parkville Café, etc.
